Dear Friends,

You are well aware that there is an ever increasing number of patients seeking advice for respiratory allergy and related problems. Many of these conditions can be improved with appropriate advice and treatment reducing unnecessary suffering. VP Chest Institute in collaboration with Institute of Genomics and Integrative Biology is organizing the "36th Workshop on Respiratory Allergy : Diagnosis and Management" during 7-11 February 2011. The topics are chosen to give up-to-date basic information about respiratory allergy and related conditions and the practical skills involved in their management. Hands on training in allergy testing, PFT and laboratory investigations related to respiratory allergy will be provided at the Workshop.

Medical professionals working / with interest in respiratory allergy and applied immunology are the target group of this Workshop. Minimum eligibility is "Medical graduates with PG qualification in Medicine/ Pediatrics/ ENT/ Pulmonary Medicine".

Please send in your biodata along with a copy of qualification certificate to Dr VK Vijayan or Dr Raj Kumar by 15 December 2011. Selected candidates will be intimated for remittance of registration fees.
